Every effective marketing campaign needs exceptional art

OUR CORE SERVICES INCLUDE

GRAPHIC DESIGN

Your brand should express everything about you and your company. It makes you recognizable, trustworthy, and valuable...most importantly, branding makes you...you. Our custom graphic design services allow "you to be you" anywhere and everywhere.

WEBSITE DESIGN

Your website is the digital imprint of your physical company. It's the world-wide, virtual representation of your business culture and philosophies. In an ever growing Online ecosystem our creative and technical team of experts will help you stand out!

SOCIAL MEDIA

Social media is an essential part of every marketing campaign in today's day and age. The ability to connect with your users and have them engage directly through your social profile can connect you in real time scenarios with clients across the globe.

AUDIO | PHOTO | VIDEO

A / P / V integration assist in creating rich and dynamic content that can be used through or outside off your website. Through our creative capture & production techniques your message will be brought to life in a style that's completely your own.

ANALYTICS

Through precise data collection and measurement, our analytics team provides you with the resources, tool and information to effectively optimize your Online campaigns. Building a web presence is the first step in building a successful Online brand.

MARKETING

Without proper marketing, the goal of selling you product or service to your customers can be futile. We stress communicating the value of your product or service as a key aspect of any marketing campaign. Our team is proficient in TV, Radio and Online Marketing across the globe.

CUSTOM GRAPHIC DESIGN SERVICES

IDENTITY DEVELOPMENT

Uniqueness and individuality equal RECOGNITION...the most important quality of any logo.

A great logo is the beginning of a great brand identity. Your logo represents you and your company, its values, culture and people. It's your employee of the month the whole year through.

PRICING

WORDPRESS SECURITY & MAINTENANCE ADMINISTRATION

WHY DO I NEED TO MAINTAIN MY WEBSITE AND AFTER IT'S BUILT?

WordPress is the world's most popular (Open Source) tool for creating and managing websites. It is a community-driven project that's developed by and for people.

Keeping your website secure means keeping attackers out while ensuring your site is performing at its highest possible level.

Keeping your website in compliance and up-to-date will help with search engine visibility. If you have a busy site with a lot of traffic and tons of content continually being uploaded, your database could probably use a little love.

By maintaining your database we (Elemental Studios) will be cleaning out your websites cobwebs, which will help to improve your SEO visibility and loading speeds while reducing the frequency of database errors.

SECURITY & MAINTENANCE ADMINISTRATION PACKAGES [GO MONTH TO MONTH OR ALL AT ONCE]

Monthly Coverage

Our monthly administrative services help to keep you and your visitors safe from exploits and malware. Plus, by regularly backing-up your site, you do not need to worry about database and/or server crashes anymore!
